

CAD Data Download Terms of Use

OTAX Co., Ltd. (hereinafter referred to as "OTAX") provides downloadable CAD data to customers who are considering purchasing OTAX products (hereinafter referred to as "Customers"), under the condition that the Customers agree to the following terms of use. The CAD data is provided solely for the purpose of considering the purchase of OTAX products (hereinafter referred to as "Purchase Consideration"), and to Customers whom OTAX deems eligible to receive such data.

Terms of Use

1. Method of Providing CAD Data

Links for downloading product-specific CAD data are available at the bottom of each product page on OTAX's website. By clicking the link, a new screen will open where the necessary information must be entered. After submitting the required information, Customers will be able to download the CAD data.

2. Intellectual Property Rights

All rights related to the CAD data provided by OTAX to Customers (hereinafter referred to as "Provided CAD Data") are owned by OTAX.

3. Conditions of Use

3-1. General Provisions

1. The content of the Provided CAD Data may be changed by OTAX at any time without prior notice, for the purpose of product improvements or other reasons at OTAX's discretion.
2. The Provided CAD Data must not be used for any purposes other than Purchase Consideration.
3. OTAX assumes no responsibility for any issues, defects, trouble, damages, or disputes with third parties that may arise from the use, utilization, or editing of the Provided CAD Data.
4. The format of the Provided CAD Data will be STEP or IGES. However, this format may be

changed without prior notice.

3-2. Storage and Management of Provided CAD Data

1. The Provided CAD Data must not be disclosed or provided to third parties for purposes other than Purchase Consideration. If it becomes necessary to disclose or provide the data to a third party for reasons other than Purchase Consideration, prior written consent from OTAX must be obtained.
2. It is prohibited to transfer, lend, assign usage rights, make public, or edit or process the data for the purpose of performing any of these actions, whether partially or in whole, without the prior written consent of OTAX.

4. Handling of Printed Materials Created from the Provided CAD Data

1. Printed materials created using the Provided CAD Data must not be disclosed to third parties for purposes other than Purchase Consideration. If it becomes necessary to disclose such printed materials to a third party for other purposes, prior approval from OTAX must be obtained.
2. Even in the case of printed materials, OTAX retains the copyright for the portions that utilize the Provided CAD Data.

5. Miscellaneous

1. If OTAX suffers any damages as a result of the Customer's breach of these obligations, the Customer is liable for compensation.

I have read and agree to the above terms of use.

End of document.
